U.S customers:

- Your passport, birth certificate and driver's license if you are crossing the international border
- A letter from a stay-at-home parent or parents giving you authority to bring their child across international borders

Please note:

- We suggest that you pack your items in totes / dry bags as they are easier to handle and help keep your items dry.
- Please DO NOT bring electric appliances as they strain our generator.
- All cabins have a fully equipped kitchen with pots pans, dishes, utensils percolator, toaster, water cooler, propane fridge and stove.
- Deep fryers, BBQs and picnic tables are available for you.
- A generator generally runs during the evening and is turned off later at night.
- Everyone is to meet at the local bait shop for 8:00 am in order to leave as a group by 8:15. Unless otherwise stated by Angela.

Thanks! See you all soon.
